BEGINNINGS

INAUGURAL GALA
4.25.2015

I would like to welcome you to the Frassati Catholic Academy Inaugural Gala. I am grateful that you have chosen to spend this evening supporting our school. This year's theme is New Beginnings. Our Catholic communities have come together to form an outstanding school committed to:

An education grounded in the Catholic Tradition

Empowering students to develop a strong foundation in Christ.

Academic excellence

Providing a challenging learning environment based on the STREAM (Science, Technology, Religion, Engineering, Art and Math) program to prepare today's students for tomorrow's world.

Creating a nurturing and encouraging environment

In partnership with families, we provide a safe, positive, and caring Catholic environment with clearly defined behavioral expectations.

This philosophy guides the education and formation of our students and it is for the students that we gather this evening. We gather to celebrate the great work that has been done in planning our new school and to honor the successes of our first year. It is as well a time to show our continued commitment to our children by raising our paddles to offer them the very latest in educational technology. The funds generated in this evening's Fund-a-Need will help provide new iMac computers (\$37,000 for 28 units) for the computer lab. In addition, we also anticipate purchasing a Chrome Book (\$23,000 for 70 units) for each middle school student to increase their access to technology and productivity.

I would like to thank our Gala Chairperson, Mary Nicklawske, and the Gala Committee for the excellent work planning this year's event. They met regularly during the school year to plan this wonderful evening. Without the efforts of our committed parents this Gala would not be possible. I also wish to extend a special note of gratitude to the families and businesses that have donated items and sponsored our inaugural gala.

So, get ready for an exciting evening of sharing, laughing, meeting new people, celebrating our students, our school, and, most of all, raising money for our children!

Blessed Pier Giorgio Frassati, Pray for us.

Mr. Gallivan

VIP Tables

New this year – VIP tables! Two tables of 10 will be saved for the first 10 couples (or 20 people) in the door! Want to make sure you sit with your friends? Plan on meeting at the check-in as soon as the doors open at 5:00 to secure your table together. You will also score some free beverages, snacks, a fancy table and be first in line for food and beverages!

Grand Raffle

Who's not familiar with the almighty Grand Raffle? The number of cash prizes has been increased this year to provide more opportunities to win. Purchase your tickets for \$10 each and enter to win one of the following:

- 1st Prize: \$1,500 Cash
- 2nd Prize: \$500 Cash
- 3rd Prize: \$250 Cash

Golden Ticket

New this year - buy one of the 100 Golden Tickets for \$50 to win your choice of a live auction prize! Live auction items to choose from include a trip to Sonoma, fishing excursions, a trip to the concert of your choice, suite at a Twins game, Battle of the Priests golf outing, dinner with the principal and booze to name a few. (The Colorado vacation home is the only live auction item not available for this game.) Participants must choose which live auction prize they would like to win when purchasing the ticket. You may not change your choice after this time. All Golden Tickets purchased will be entered into the drawing that will take place after dinner.

Wine Raffle

The wine raffle is back this year by popular demand. The best part of this game is that everyone who participates is a guaranteed winner and won't go home empty handed.

Tickets for this raffle cost \$20 and are limited to the number of wine bottles on display. Each bottle, which ranges in value from \$15 to over \$100, will have a corresponding number to one of the raffle tickets. The catch is you won't know which bottle matches your ticket until after dinner. The raffle ticket numbers for the top 5 highest valued bottles of wine will be called out during the live auction. Winners not called by the auctioneer will pick up their wine bottle when exiting the gym after the evening's events.

We are still accepting wine bottle donations to increase the number of winners in our game. If you wish to donate a bottle of wine for the wine raffle, please drop off your donation at the school office.

Heads and Tails

Heads and Tails is a game of chance that is a favorite of many. Purchase a string of beads to wear for \$10 each and partake in the competition that may make you \$200 richer!

*Each participant can wear only 2 necklaces when participating in this game.

Grab Bags

Grab Bags are sealed and the contents unknown, so opening one is always a fun surprise! The Grab Bags are purchased at a flat rate of \$20 during the Silent Auction portion of the evening, with a guaranteed value of the bags being at least \$25 or greater. Often they are valued much higher! The number of grab bags are limited, so get yours before they are gone!

Fund-A-Need 2015

What is the Fund-a-Need?

The fund-a-need is a part of the live auction where donors raise their paddles to provide money for a specific cause. The money is a dedicated gift that cannot be used for anything other than the defined project.

How does it work?

School leadership will define the reason for the fund-a-need and why it is so important. The auctioneer will then begin the paddle raise at a designated amount of money. If you feel comfortable and able to support the project simply raise your paddle at the appropriate bid and your bid number will be recorded by the spotters. ***All fund-a-need donations are tax deductible.***

Past Spring Gala Fund-a-Need Projects that now benefit the students at Frassati Catholic Academy:

- * New Playground Equipment
- * Risers for Music Class
- * New Desks
- * Wireless System to Support New Technology
- * Lego Robotics
- * iPads for Student Use
- * SMART Boards

The funds generated in this evening's Fund-a-Need will help provide new iMac computers (\$37,000 for 28 units) for the computer lab. In addition, we also anticipate purchasing a Chrome Book (\$23,000 for 70 units) for each middle school student to increase their access to technology and productivity.

To donate, raise your bid number during the fund-a-need portion of the evening (immediately before the live auction), or look for a donation envelope on your table during the live auction program. Contributions to the fund-a-need can be anonymous. No donation is too small; each dollar will make a difference in the lives of Frassati Catholic Academy students. We thank you for your generosity.

The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid.

Live Auction

Live Auction bidding will begin immediately following dinner. When bidding, please hold up your bid number toward the auctioneer. The Live Auction will continue until all items are sold.

If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only.

Seventh Grade Girls: “Find the Beauty Within”

Poems, songs and sayings have inspired people for generations. The seventh grade girls are no exception. Each seventh grade girl shared a favorite inspirational saying or lyric to create a piece of inspiring art. After typing and finding the right font, each girl printed out her inspirations and applied it to a framed mirror. Beauty is always within!

Eight Grade: “COURAGE”

Lacrosse Rebounder

A lacrosse rebounder is an excellent practice tool. The more you practice, the better you can become. Plain and simple, getting your hands on a lacrosse bounce back of your own can allow for a great increase in the amount of time you could potentially practice. In using a rebounder of your own, you will be able to get the time you need of stick in hand to work on sharpening both your throwing and catching abilities. A personal lacrosse rebounder allows you freedom in your training schedule. Having the rebounder in your back yard makes it a lot easier to fit in ten minutes of throwing and catching here and there throughout the day. This top rated Champion Pro Rebounder is great for all skill levels, even the more advanced/committed lacrosse player.
