Dear Friend,

On Friday, April 13, our community will come together to celebrate the leaps and bounds being made by our pre-K through 8th grade students, the spectacular feats of our teachers and faculty, and the powerful community that makes us stronger.

Frassati Catholic Academy is thrilled to continue the tradition of our Spring Gala, the school's primary fundraising event. The theme for this year is *A Night to Marvel*, and on behalf of the school, I am writing to request a donation to the Gala.

As Minnesota's first STREAM school, Frassati Catholic Academy uses an integrated learning model including Science, Technology, Religion, Engineering, Arts, and Mathematics. We will invest funds raised by this year's Gala in early childhood literacy tools and programs, updated furniture for our younger grades, and technology advancements to help better prepare our older students for their future. Funds raised will also be used to help send our 4th and 5th graders to Junior Achievement, which empowers students to make a connection between what they learn in school and how it can be applied in the real world.

We appreciate and rely on the support of businesses in the many neighborhoods where our school families live, work, and shop. We are seeking all types of donations, including gift cards, merchandise and services. All donors will be gratefully acknowledged in auction materials that will be distributed to school families as well as to participants at the event. Frassati Catholic Academy is a 501(c)3 non-profit organization, so your donation may be tax-deductible.
