

2018 SILENT AUCTION PROGRAM

HELP EMPOWER
OUR FALCONS
TO GREATNESS!

FRASSATI
CATHOLIC ACADEMY
STREAM

Dear parents, staff and friends of Frassati,

Thank you for participating in the 2018 FCA Spring Gala! We feel blessed to share a Night to Marvel at the transformative power of an education modeled after the teachings of Christ. After all, He is our ultimate superhero.

Tonight, as we celebrate the superheroes in our midst, I wanted to reflect on just a few of the infinity of different ways our community exhibits superpowers on a daily basis:

It's in the creativity of our Lego Robotics team, newspaper staff, art club members, play participants, and others who take an idea and turn it into a new creation.

It's the compassion of our teachers who work tirelessly to make sure every student is given opportunities to learn and grow in mind, body, and spirit.

It's the strength of our gym students and student athletes, who passionately train, practice, and play to represent our school and our local community.

It's the courage of students who make a presentation for the first time, or stand up for what they think is right, even if it's not the "popular" decision.

It's the admiration of our littlest Falcons for our older Falcons as they walk together to celebrate Mass together.

It's the perseverance of our families, friends, and staff, who share their talents in countless ways with the goal of making Frassati Catholic Academy the best possible place to educate their children.

With great power comes great responsibility, and I thank you for taking that to heart. Our Gala enables us to continue to build on the infrastructure of our school, welcome new families, and assist families who might not otherwise have the financial means to send their children to Frassati. Thank you in advance for making this night a super success!

Frassati Falcons – Unite!

God Bless,

Patrick Gallivan
Principal

Fund-A-Need 2018 - Your Superpower? Generosity!

Tonight we will feature a Fund-a-Need to raise money for a specific project that exceeds the day-to-day operational expenses of the school. **The money raised during the Fund-a-Need is a restricted fund that can only be used for its intended purpose outlined below.**

Over the years, the hard work and generous donations of our supporters have enabled us to provide cutting-edge technology and resources for our students. Let's continue that tradition tonight!

Money raised during the 2018 Fund-A-Need will focus on two important superpowers:

Reading and Literacy Tools: One of the most important powers on the planet is the ability to read well! We'll invest in early childhood literacy tools to help our youngest Falcons get the best possible start in their reading endeavors!

Super Hero Seating: Every superhero needs a place to learn about their next mission! We'll invest in much-needed, updated student furniture to replace outdated desks, chairs, and tables that have served our community well but it is now time to retire them. Frassati will also be investing in flexible and active seating. Our superheroes need to be active learners and there is new furniture that will allow us to meet their needs.

These two projects will make an immediate, powerful impact on the learning environment at Frassati Catholic Academy!

To support the Fund-a-Need this evening, you may complete a bid sheet or raise your bid number at the appropriate bid amount and your bid number will be recorded by super spotters. Every donation is important and will make an impact on the lives of our students. **All Fund-a-Need donations are tax deductible.**
